May 03, MVD's *Lee Greenwood Tribute*

MVD Entertainment Group will be teaming up with Lee Greenwood Music for the May 3 Blu-ray and DVD launch of *An All Star Salute to Lee Greenwood*.

The concert was originally filmed live at the Von Braun Center in Huntsville, Alabama back in October of 2021 and that might have been it, but what happened that night on stage turned out to be pure magic.

The footage was assembled into a theatrical cut and became a nationwide, one-

Apr. 16, Bayview's *Procurator* Blu-ray

Bayview Entertainment has scored the domestic distribution rights to director Alan Mak's intense courtroom thriller, *The Procurator*. A Blu-ray edition will be available on Apr. 16.

Mak's film opened overseas in late April of 2023, had a limited theatrical showcase in June of last year and then, despite rave reviews, dropped out of sight.

So unless you were lucky enough to catch it theatrically in one of the major metro markets where it played

Warner's 4Ks For Ocean's Series

The Criterion Collection announced its June release slate this past week and there are a couple of surprises that should please *cinephiles* and movie lovers as well as the casual viewer.

So let's get to it (and this is always a subjective visitation).

How about we start with Barry Jenkins' 2021 min-series adaptation of Colson Whitehead's 2016 Pulitzer Prize-winning novel, *The Underground Railroad*.

This ten-part mini-series, starring Thuso Mbedu (*The Woman King*), will be available as both four-disc Blu-ray and four-disc DVD purchasing options on June 25.

Bonus features include commentary by Barry Jenkins (selected episodes), who is joined by cinematographer James Laxton and film editor Joi McMillion. Additionally, there are deleted scenes, the featurette titled "Building The Underground Railroad" and Jenkins' film titled *The Gaze*.

On the 4K Ultra HD/Blu-ray Combo Pack release front from Criterion during the month of June we find three new arrivals.

Again, it's a subjective call, but let's go with the writing and directing team of Lana and Lilly Wachowski's 1996 steamy *neo-noir* thriller, *Bound*,

Altered Innocence Joins MVD, May 07

The roster of partner labels under the MVD Entertainment Group's distribution network just got a new member!

This would be boutique specialty label Altered Innocence and they've not a moment of time in setting their first two release dates.

On May 7 look for both DVD and Blu-ray editions of writer/director Bertrand Mandico's epic adventure, *She is Conann*, starring Claire Duburcq, Christa Théret, Sandra Parfait, Agata Buzek, Nathalie Richard and Françoise Brion ... all as the title character, Conann.

About now you're thinking "What?"

Let's ease into it this way. In the iconic *Rocky Horror Picture Show* song, "Time Warp," there are a series of magical lyrical moments that best describe Mandico's *She is Conann*. See Conann Page 22

Paramount's Marley Biopic On May 28

Paramount Home Entertainment has selected May 28 as the street date for a full spread of physical media product selections for director Reinaldo Marcus Green's hit biopic, *Bob Marley: One Love*, starring Kingsley Ben-Adir (*One Night in Miami ...*, *Barbie*) as the reggae recording legend.

The ARR comes in at 102 days and the domestic box office take currently stands at an impressive at \$89.3 million.

A premium VOD window begins on Mar. 19, just 32 days into the film's theatrical run. Within hours, the "helper" community was Johnny-on-the-spot with Blu-ray knockoffs that are being snapped up by unsuspecting consumers (or fans of See Marley Page 20

Lionsgate's Next Walmart Exclusive May 14

Last month we reported that Lionsgate Home Entertainment was adjusting to the new retail realities (bye bye Best Buy) with the rollout of an exclusive Blu-ray SteelBook promotion with mega-retailer Walmart on Apr. 2. These are *Cutthroat Island*, *Rambo: Last Blood* and the double-feature *Red 2-Film Collection*.

These titles haven't even shipped yet and here's Lionsgate with the next wave announcement. May 14 will see exclusive Blu-ray SteelBook selections for both director Tibor Takacs' 1987 horror tale, *The Gate*, and filmmaker Ken Russell's 1988 release of *The Lair of the White Worm*.

As to bonus goodies, *The Gate* features two archived commentary options ... one team Takacs with writer Michael Nankin and F/X whiz Randall William Cook, while the second has Cook, make-up effects artist Craig Reardon, F/X artist Frank Carere and matte photographer Bill Taylor.

There are eight vintage featurettes included with this SteelBook edition of *The Gate* — "The Gate: See Lionsgate Page 20

MVD Continued

night-only Fathom Event spectacular on Nov. 12 of last year.

Now, all of recording artist Lee Greenwood's legions of fans can enjoy the event in the comfort of their living room with these Blu-ray and DVD editions from MVD.

If you will recall, last December (the 8th to be exact) MVD delivered both Blu-ray and DVD editions of *Billy Idol: State Line – Live at the Hoover Dam*, which was also a nationwide Fathom Event one-night spectacular. So MVD knows how to work the magic.

For the record, *An All Star Salute to Lee Greenwood* arrives on May 3 with an ARR of 175 days.

This is a 19-song set of some of Lee Greenwood's greatest hits, all performed in tribute fashion by major recording artists who made the trip to Huntsville for this special concert.

If you are Lee Greenwood fan this is a must as the set list includes Jarney Johnson performance of "Ring on Her Finger, Time on Her Hands," Big & Rich rock out with "Holdin' a Good Hand" and the Oak Rich Boys give it all with "Dixie Road."

Warmed up yet? How about Debbie Boone and Larry Gatlin teaming up for "To Me," or Janie Fricke and Ty Herndon doing the same for "Hopelessly Yours" and Crystal Gale taking center stage for "I Still Believe."

There is more, a whole lot more leading up to an star-studded finale with all of the tribute artists joining Lee Greenwood on stage for a heart-stopping rendition of "God Bless The USA!!!"

Mark it down, May 3, *An All Star Salute to Lee Greenwood* on DVD and Blu-ray from MVD Entertainment Group.

Marley Continued

Marley who simply don't care about the source).

There will also be a "limited" edition 4K Ultra HD / Blu-ray SteelBook Combo Pack purchasing option available on May 28 as well.

Bonus features include eight extended and/or deleted scenes, plus five featurettes — "Becoming Bob Marley," "The Story: Bringing Bob Marley's Story to Life," "The Cast," "On Location: Jamaica and England" and "The Band."

Unlocked," "Minion Maker," "From Hell it Came," "The Workman Speaks!," "Made in Canada," "From Hell: The Creatures & Demons of The Gate," "The Gatekeepers" and "Making of The Gate."

As for *The Lair of the White Worm*, the bonus features here include a pair of commentary options — the first featuring director Ken Russell and the second teams film historian Matthew Melia with Lisi Russell (aka: Elize Tribble).

Also included are video sessions with both editor Peter Davis and actor Sammi Davis (as Mary Trent), plus the featurette titled "Worm Food: The Effects of The Lair of the White Worm."

Rewind Collection

Blu-ray Special Edition: April 09, 2024

Bayview Continued (ARR works to 298 days), the Apr. 16 Blu-ray release from Bayview Entertainment might be your only chance to watch this intricate murder trail ... where nothing is quite as it seems!!!

Without giving too much away, we launch into the trail of a professor by the name of Xia Wei (Wang Likun — as Hua in the *Infernal Affairs* series), who is accused of killing a shifty businessman, Chen Xin. As we discover, he may have been involved in the rape of one her students, who subsequently committed suicide (hello, motive).

Did she? Apr. 16 to learn the secret.

The Procurator is presented in Mandarin with English subtitles.

Conann Continued

First “time is fleeting, madness takes its toll.” Keep that in mind, especially the “time is fleeting” part.

Second, there is an exchange with Magenta (same song, “Time Warp”) that has the line “In another dimension, with voyeuristic intention ...” and Riff Raff, counters, “with a bit of a mind flip” and then Magenta again, “you’re into the time slip” and then Riff Raff, “and nothing can ever be the same” and back to Magenta who delivers “you’re spaced out on sensation.”

There, you have the perfect description of *She is Conann* and why Mandico needed six actors to play Conann. It is an epic tale about a Conan-like (Arnold, that is) barbarian and her time-tripping adventures beginning as a teenage captive followed by various stages in her life (not necessarily connected to real time). She’s kick-ass and shares much in common with the characters from *Rocky Horror Picture Show* (wink wink, nod nod).

It’s a one of kind (literally) cinematic treat. If you saw *Fellini Satyricon* and understood all the nuances, then *She is Conann* will be a refresher.

Bonus features include “The Show has Already Started,” which includes three short films by Mandico — *Rainer, a Vicious Dog in Skull Valley*, *We Barbarians* and *The Last Cartoon: Nonsense, Optimistic, Pessimistic*.

She is Conann is presented in French with English subtitles.

Altered Innocence returns on June 25 with DVD and Blu-ray sets (two discs each) of *Ozon's Transgressive Triple*, a collection of famed French filmmaker François Ozon's three earlier works. These are: *Sitcom* (1998 theatrically in France ... film festival stops domestically), *Criminal Lovers* (1999 France, limited 2000 in U.S.) and *Water Drops on Burning Rocks* (2000 in France, limited distribution followed in the U.S.).

All three films are presented in French with English subtitles.

Bonus features include a newly-prepared video session with actor Stéphane Rideau, Cerise Howard and Rohan Spong provide commentary for *Water Drops on Burning Rocks* and *Diabolique Magazine's* Kat Ellinger delivers a video essay titled “Little Deaths: Loss and Coming of Age in François Ozon's First Chapter.”
